

Hi everyone I'm Raad and today I'm going to talk about Esraa Ghareb

Esraa is a 21 years old girl from palestine and she is engaged  
Esraa got killed by her own brothers and father

So esraa told her parents to go out for dinner with her fiance  
and she had a great time , while she is out with her fiance her cousin saw her so she called  
esraa's father and told him that your daughter putting a lot of makeup and she is out with a  
guy ' her fiance ' what are people going to say about that! they are going to talk about the  
honor of your family

after that her father and his sons were waiting for esraa to come back and when she came  
they beat her up really hard they broke her back and she lost a lot of blood then she went to  
the hospital and they came after her and beat her more and she was screaming all the  
people in the hospital can hear her voice she was screaming like for 10 minutes then they  
took her to the house and they know that she needs the hospital after an hour she died from  
a heart attack and for what?!! for the honor of the family???? ( YOUR HONOR IS NOT  
YOUR DAUGHTER )

Esra is not the first one who gets killed for the honor of the family and she is not going to be  
the last the is a huge problem your honor is for you it is not in someone else and this is  
clearly not about honor because after all he is her fiance she is not going out with a stranger  
guy
