

Murder.

Esraa got killed by her own father and brothers they killed her for the honor of the family because she just went out with her fiancé

Esraa is a victim of the society she didn't deserve any of these may you rest in peace angel

Esraa is a 21 years old girl from palestine she is engaged

"You embrace death because life doesn't exist without it."
— Dominic Riccitello

R.I.P

about people murdering, I
has to go through your brain
I want him breathing
What makes you get that angry?
you take someone's breath away?
I just blows my mind.
